PLG CIRCULAR 07/2026

Item	Detail
Date	20 July 2026
To	All PLG officers; Estate Managers
From	Tan Wei Ling, Director, PLG
Subject	Display Area Beyond Shopfront at Neighbourhood Centres (Pilot)
Effective	1 August 2026 to 31 July 2027

1. Following the PLG Management Meeting of 15 April 2026, tenants of units in designated Neighbourhood Centres (NCs) may display goods up to 1.0 m beyond the shopfront line, subject to the conditions below. This replaces the 0.6 m limit in clause 7.3 of PLG-POL-001 Trade Mix & Usage Policy v3.0 for NC units for the duration of the pilot.

2. Conditions:

1 A clear walkway of at least 1.2 m must be maintained at all times.

2 The display may not take up more than 50% of the unit's frontage.

3 Goods must be removed outside operating hours.

4 Fire exits, hose reels and other fire safety equipment must not be obstructed.

3. The 0.6 m limit in clause 7.3 continues to apply to void-deck shops outside NCs.

4. Estate Managers shall stop enforcement action against NC tenants for displays between 0.6 m and 1.0 m that meet the above conditions. Open cases will be reviewed and closed if compliant.

5. PLG will review the pilot in June 2027, taking into account feedback cases and inspection findings.

Tan Wei Ling

Director, Properties & Land Group
