BUSINESS PLAN - MUTIARA PROVISION SHOP

1. Proposal

We propose to convert our premises at Blk 627 Pasir Indah Street 62 #01-08 Singapura 510627 to a bubble tea outlet. Our current business has seen declining sales of about 30% over two years, which we attribute to competition from larger chains.

2. Market

Target customers are students and young families living in the surrounding blocks. We estimate daily footfall of 400-600 based on our own observation of the walkway.

3. Financials

Item	Year 1	Year 2

4. Fit-out

Fit-out works estimated at S$45,000, subject to A&A approval.
